Dear Bride and Bridegroom,

We are glad to hear that you are interested in Salzburg, whether you've chosen Salzburg for your wedding or your honeymoon. It is our pleasure to provide you with useful information to make your stay in Salzburg a memory you will treasure.

No matter when you decide to come, in the height of spring, during the summer, when the world-famous music festival takes place, in autumn when the colors of the leaves are rich and warm, in winter when Salzburg becomes a snow-covered fairy-tale city, you will not be disappointed. As the famous Austrian poet Hermann Bahr once said, "Salzburg is always beautiful although you think it looks the loveliest every time you're there."

A wedding in Salzburg is a very special occasion. A number of romantic locations all over Salzburg provide the perfect setting - foremost, the beautiful baroque Marble Hall in Mirabell Palace, which is said to be one of the most beautiful wedding locations in the world. For unforgettable photographs of the most beautiful day of your life, the Angel Staircase and the stunning Mirabell Gardens serve as wonderful backdrops. City of Salzburg registry office employees also conduct wedding ceremonies beyond the walls of the Marble Hall. Some of these locations are well-known romantic settings from *The Sound of Music*. For a list of venue options go to www.salzburg.info/weddings and the list of locations.

If you prefer to have an experienced wedding planner help you with your arrangements, please contact one of the Salzburg wedding planners. Please contact the Salzburg Registry Office concerning the formalities for the civil ceremony.

Below you will find general information about the wedding ceremony and information from A-Z with many useful tips and suggestions for your stay.

Please feel free to contact us if you have any further questions. We wish you an unforgettable time in Salzburg!

Sincerely,

Salzburg Information
